

Status of Applications for Review of Nuclear Fuel Cycle Facilities

Applicant	Facilities	Receipt Date	Completion Date
Japan Nuclear Fuel Limited, JNFL	Reprocessing facility	January 7, 2014	
Japan Nuclear Fuel Limited, JNFL	Uranium enrichment facility	January 7, 2014	
Japan Nuclear Fuel Limited, JNFL	MOX fuel fabrication facility	January 7, 2014	
Japan Nuclear Fuel Limited, JNFL	Waste management facility	January 7, 2014	
Recyclable-Fuel Storage Company	Spent fuel storage facility	January 15, 2014	
Mitsubishi Nuclear Fuel Co., Ltd.	Fuel fabrication facility (Mitsubishi Nuclear Fuel Ltd)	January 31, 2014	
Japan Atomic Energy Agency	Waste management facility (Oarai Research & Development Center)	February 7, 2014	
Nuclear Fuel Industries, Ltd.	Fuel fabrication facility (Tokai Works)	February 14, 2014	
Nuclear Fuel Industries, Ltd.	Fuel fabrication facility (Kumatori Works)	April 18, 2014	
Global Nuclear Fuel Japan	Fuel fabrication facility (Global Nuclear Fuel Japan)	April 18, 2014	
Japan Atomic Energy Agency	Nuclear Science Research Institute (research and test reactor facilities: JRR-3)	September 26, 2014	
Kyoto University	Research Reactor Institute (research and test reactor facilities: KUR)	September 30, 2014	
Kyoto University	Research Reactor Institute (research and test reactor facilities: KUCA)	September 30, 2014	
Kinki University	Atomic Energy Reactor Institute (research and test reactor facilities: UTR-KINKI)	October 20, 2014	

As of April 1,2015

Applicant	Facilities	Receipt Date	Completion Date
Japan Atomic Energy Agency	Oarai Research & Development Center (north area) (research and test reactor facilities: HTTR)	November 26, 2014	
Japan Atomic Energy Agency	Nuclear Science Research Institute (research and test reactor facilities: Waste Treatment Facilities)	February 6, 2015	
Japan Atomic Energy Agency	Oarai Research & Development Center (north area) (research and test reactor facilities: JMTR)	March 27, 2015	
Japan Atomic Energy Agency	Nuclear Science Research Institute (research and test reactor facilities: NSRR)	March 31, 2015	
Japan Atomic Energy Agency	Nuclear Science Research Institute (research and test reactor facilities: STACY)	March 31, 2015
