## Additional Measures under the IAEA framework related to the discharge of ALPS treated water into the sea

As a part of additional measures under the IAEA framework that Japan and the IAEA concurred on conducting in September 2024, the IAEA officials and experts from third-party laboratories will visit Japan and collect environmental samples off the coast of Fukushima Prefecture on February 4th and 5th.

- 1 This is the seventh mission for conducting the additional measures since October 2024.
- 2 The third-party laboratories from China, Republic of Korea, Russia, and Switzerland, will participate in the additional measures.
- 3 The Nuclear Regulation Authority will be responsible for collecting seawater on February 4th.

[Reference] Past missions for conducting the additional measures

- 1st: October 15th, 2024 (collection of seawater)
- 2nd: February 19th, 2025 (collection of seawater), February 20th, 2025 (selection of fishery products), February 21st, 2025 (collection of ALPS treated water prior to dilution with seawater)
- 3rd: April 15th, 2025 (collection of ALPS treated water diluted with seawater)
- 4th: June 17th, 2025 (collection of ALPS treated water prior to dilution with seawater)
- 5th: September 9th, 2025 (collection of seawater), September 10th, 2025 (selection of fishery products)
- 6th: December 5th, 2025 (collection of ALPS treated water diluted with seawater)

### Contact information

[Collection of seawater]

Mr. Kawabe, Mr. Suzuki, Mr. Kono, Ms. Tomooka, Radiation Monitoring Division, Radiation Protection Department, Nuclear Regulation Authority, Phone: +81-3-3581-3352 (Switchboard) +81-3-5114-2125 (Direct)

[Collection of fishery product]

Mr. Nakayama, Mr. Ogawa, Mr. Kaeriyama, Mr. Nomura, Ms. Numajiri, Research and Technological Guidance Division, Resources Enhancement Promotion Department, Fisheries Agency of Japan, Phone: +81-3-3502-8111 (Switchboard) Ext 6782, +81-3-6744-2030 (Direct)

[Cooperation with the IAEA]

Ms. Yamamoto, Mr. Takamatsu, Mr. Yamada, Mr. Kawaguchi, International Nuclear Cooperation Division, Disarmament, Non-Proliferation and Science Department, Ministry of Foreign Affairs, Phone: +81-3-5501-8227
